

JUICE 2018 Nominations Worksheet

THURSDAY | MARCH 1, 2018 | 7:30AM PORTLAND ART MUSEUM

Have you been blown away by something or someone in the greater Portland arts and culture community?

We want to know about it!

At **Juice** we will shine a light on art and culture at its most potent, most impactful, most ingenious and most game-changing.

We want to know who or what has really moved and inspired you. Maybe it's a group, individual, business, partnership, funder, organization or maybe something we haven't considered!

Tell us who or what in Multnomah, Washington and Clackamas counties went above and beyond, made you think differently, changed a community.....you get the idea. But don't hold back. We want every juicy detail.

Winning stories will be filmed and shared in front of Juice's 400+ audience. Honorees will receive their award from the Juice stage.

Deadline for nominations: Friday, December 8
