INTRODUCTION

The Regional Arts & Culture Council (RACC) grant programs provide resources to increase the community's access to a wide range of arts and culture, and promote RACC's core values:

- Accessibility – Inclusion, simplicity, and ease
- Advocacy – Visibility, resources, and impact
- Equity – Racial justice and representation in services and investments
- Diversity – Of art forms and artistic traditions
- Community – For belonging, support, and connection
- Innovation – Testing and adapting; finding new ways to deliver value

The **RACC Arts3C Grant** program is for Multnomah, Washington, and Clackamas County applicants creating and sharing arts and culture programming in all disciplines.

You can apply to support your artistic output, such as projects, programming, or presentations, or apply to support your internal capacity, such as operations, personal or professional development, or business investment. You will need to clearly explain what you need grant funding to support, and then make the case for how the public investment of the grant will impact both you and the community.

When applying for a RACC Arts3C Grant, you may submit only one application in a grant cycle and receive only one grant within 12 months.

You will select the grant request amount of up to \$5,000. A smaller grant request (\$1,000 or \$2,000) will have a more streamlined and simple application. A larger request amount (\$3,000 to \$5,000) requires more information and budget details. Our intention is to make grant awards at the level requested. However, in rare instances, the award amount may be less than requested based on panel review and recommendations.

ELIGIBILITY

RACC makes grant awards to individuals, nonprofits, arts-based businesses, Limited Liability Companies (LLC), partnerships, and other legally organized entities. To be eligible for the RACC Arts3C Grant, you must:

1. Physically reside or be headquartered, with your legal address shown on your W-9 form/income tax return, within the RACC service area of Multnomah, Washington, and Clackamas counties. Applicants with a PO Box will need to provide additional proof of residence or physical location.

2. Be an artist, arts organization, arts business, or other organization applying for an arts activity.
3. Complete all final report requirements for current RACC grant awards. You may have only one RACC grant open at a time.

FUNDING & ELIGIBILITY RESTRICTIONS

1. Applicants with open grants, including Project Grants, Professional Development Grants, or Make|Learn|Build grants, are not eligible until your activity and reporting on past grants is complete.
2. Applicants that have already received an Arts3C Grant within the year (previous consecutive grant cycles) are not eligible to apply.
3. One eligible applicant should apply on behalf of a collaboration. Proposals from more than one applicant for the same project or activity will not be considered.
4. Individuals enrolled as a student in a degree or certificate program in the arts at the time of application are not eligible.
5. Organizations receiving RACC General Operating Support Grant funding are not eligible to apply, but may act as fiscal agents or partner on an activity.
6. The proposal End Date must be set after grant award announcements are scheduled and the grant cycle begins.
7. All programming supported with RACC grant funding must take place in ADA-accessible spaces. If you have questions about ADA-accessibility, please contact the RACC Grants Team.
8. Available funding from Multnomah, Washington, and Clackamas Counties may impact awards to applicants headquartered/residing in those counties.
9. Grant awards are taxable income, and all non-exempt grantees will receive a 1099-NEC for the total amount paid to them by RACC in a calendar year.
10. Members of the RACC Team, Board of Directors, or current RACC contractors are not eligible to apply.

APPLICATION PROCESS & REVIEW

You must submit the required application and supplementary material through the [RACC Opportunity Portal](https://www.racc.org/apply) at www.racc.org/apply by the stated deadline. The Grants Team will review your material for eligibility and categories (see page 8). Applications will be grouped based on discipline, request categories, and applicant type. The applications are evaluated by panels made up of Community Reviewers and RACC Team members.

The review panels will use the following criteria and award up to 7 points for each measure. The individual Community Reviewer scores on a panel are averaged for a panel score, which determines the ranking of the applications on the panel. Funding is then awarded based on that ranking of the average scores.

REVIEW CRITERIA

1. **Strength of concept** - *including evidence of planning and proposal clarity.*
2. **Quality of artmaking and experience** - *including demonstrated ability of the artists and professionals involved as evidenced by resume/bio and work samples.*
3. **Impact on the applicant** – *including evidence of benefit, advancement, or growth to the artist or organization.*
4. **Engagement with an audience and/or community** – *including thoughtful and effective sharing of the project, program, product, or outcome within the tri-county region.*
5. **Financial Readiness** - *including budget detail and cost documentation clearly supporting the activity and request amount.*
6. *[For requests of \$5,000]* **Alignment with one or more of RACC’s core values:**
Accessibility, Advocacy, Equity, Diversity, Community, Innovation.

THINGS TO CONSIDER BEFORE YOU APPLY

- When choosing your grant level and proposal focus, consider your most immediate needs and what would have the greatest impact at this time.
- Materials are reviewed online. Make sure file names clearly reflect the contents of the file, all website links are correct, and access codes/passwords are provided when necessary. Do not upload more materials than requested.
- Review panels will be made up of a cross-section of individuals from the arts, cultural, and creative community within the greater tri-county region. The panels will review and score applications according to review criteria listed above.
- Reviewers with a **conflict of interest** will not be permitted to offer an opinion or score on the application in question.
- Panel meetings will not be open to the public. You may contact the RACC Grants Team to schedule a one-on-one feedback session once award notifications are sent out via email.
- The number of review panels are determined by the number of applications submitted in a grant cycle. The percent of funded applications in each panel is the same.
- Grant awards will be based on funds available, panel rankings, and RACC’s work to increase investment in under-represented communities, including people who identify as Black, Indigenous, Latinx, Asian, Pacific Islander, or Multiracial; immigrants and refugees; people with disabilities; homeless or houseless communities; and/or LGBTQIA+ people.

- Review panels will make grant award recommendations, and in rare instances, the award amount may be less than requested.
- Final grant award recommendations will be reported to the RACC Board of Directors.
- All grant applicants will be notified of funding decisions via email and within their account at the [RACC Opportunity Portal](#).

GRANT AWARDS & ADMINISTRATION

As a grantee, you will receive the full grant award after submitting the Grant Agreement and W-9 form via the RACC Opportunity Portal ([racc.org/apply](#)). You will be required to submit a Final Report after your activity is complete. Awardees will receive a detailed Grant Administration Guide upon notification of the grant.

Grant awards that are **not claimed** within 12 months of the award date will be **forfeit**.
